

What is B. Voc?

- Bachelor Of Vocational Studies (B.Voc) is A 3-Year UG Degree That Focuses On Skill Development And Prepares Students For Employment.
- It Deals With Application-Based Studies Rather Than Focusing On Only Theoretical Knowledge Of The Specialised Subject.
- The Average Fees Of The Colleges May Range From INR 30K To 1 LPA.
- A B.Voc degree program offers several entry and exit points for the student.
- The programme also includes Industrial Visits, Guest Lectures from Industry experts, and On-the-job Training.

B. Voc Admission Process

- Usually, the admissions are conducted either through a merit-based process or entrance-based.
- The majority of the institutes prefer merit-based admission but there are some universities that prefer entrance-based admissions.

Eligibility for B.Voc

- The candidate must have completed their 10+2 from a recognized board.
- They must have a minimum aggregate marks of 50% to be eligible for the program.
